Congressman Rogers Will Speak At B. G. Post Office Dedication

Congressman Paul G. Rogers has accepted an invitation to speak at the dedication ceremony of the new Belle Glade post office to be held on October 21, according to Robert C. "Bob" Lee, chairman of the committee who is sponsoring the dedication sponsored by the local Chamber of Commerce. However, said Mr. Lee, to accommodate the Congressman, the time has been changed from 2:15 to 3:30 p. m.

Also attending the ceremony will be Mr. C. Barks Gladden, Regional Director of the Post Office Department, of Atlanta, who will represent the Post Office Department. Letters of invitation to prominent local and county officials are being mailed this week by the committee on invitations headed by Mrs. Rosa A. Nash, local postmaster. The public is invited to attend the ceremony and open house after the ceremony. This will give local citizens an opportunity to see just how their mail is handled from the inside. Employees of the office will assist in guided tours and explain to the public the things they might want to know.

Refundations will be served by the ladies of the community under the chairmanship of Mrs. L. Price. Communities all over Florida are spending considerable amounts of money in an effort to attract new industries to settle in their areas. We in the Glades area are extremely fortunate in having this new multi-million dollar industry which for many years to come will exert a major influence in the Glades.

Glades Sugar House

Big In Size And In Area's Economy Anticipating Scheduled Starting

Construction of the new mill for the Sugar Cane Growers Cooperative of Florida is going ahead at full steam in spite of inclement weather, minor engineering changes and run-of-the-mill holdups.

The big sugar factory is becoming a prominent frame-work on the horizon of the Glades area. Despite recent news articles, this organization is not in the refining business. Their job is to produce raw sugar and molasses with an anticipated grinding season of six months.

This new sugar factory is owned by 51 Glades people and is creating many new jobs for those who are interested. The mill this year will grind some 22,000 acres of sugar cane and will produce approximately 75,000 tons of raw sugar along with 4,500,000 million gallons of molasses.

Civilians Active; Again Sponsor Fruit Cake Sale

Recently, Civilians presented the Municipal Library with 100 books on communism, its threat and how to combat it. It is hoped that these books will strengthen the Civitan International organization and support its efforts in alerting our public to the insidious menace of communism and by helping to develop a vigorous, active, intelligent feeling of Americanism.

Don Fisher MC'd an interesting, capsule-sized "Story of Civitan" for prospective members and supporters on September 13th. His committee reviewed the history, principle and policies of Civitan International, and the activities of the local club.

The following week, Coach Burke outlined the Belle Glade Golden Rams football team's 1962 season. He didn't predict a winning season for 3 consecutive unscoring games.

The club welcomed new Civitan Lawrence Murry and presented him a framed Civitan Creed Member's pin on 27 September. The Rev. Boland entertained Civitans with his adept use and harmonica playing, reminiscences and some serious talk too.

Tomorrow Night's Ram Game Is Top Match Of Conference

The early leadership situation in the Suncoast Conference is slated for a thorough overhaul on as a result of a four-game league card set next Friday night.

There are currently three all winning outfits and two of these will collide while the third meets a pennant favorite now in fifth place. Two more

conference games and a pair of non-league contests complete the card to put all 11 teams in action.

Perhaps the top game matches Stuart at Belle Glade with both having made surprisingly good starts. Stuart has won two league starts and Belle Glade is 3-0 and unscored upon with one win in the conference. The other

key game sends Forest Hill (1-1) to Pahokee which also is 3-0 including two triumphs in Suncoast play.

Lake Worth, another flag favorite and presently 2-0 and unscored on, starts league action with a visit to wins Riviera Beach. The night's fourth league battle pits Clewiston at Ft. Pierce with both teams twice beaten and the hosts still looking for their first points of the fall.

The non-league action has Palm Beach at Seacrest and Jacksonville Landon at Vero Beach.

Stuart and Pahokee looked up

A bond election has been ordered by the County Commissioners as a result of a request of the Board of the Southwestern Palm Beach County Hospital District, for November 6th, simultaneously with the general election on that date, and with the same facilities location and officials, on the question of issuing \$1,200,000 in bonds of the hospital district.

According to the legal advertisements concerning the election, the money from sale of the bonds will be used to pay for "construction and acquisition of a new hospital, and of additions, extensions and improvements to the existing hospital."

The request of the Hospital Board was accompanied by a petition containing approximately 825 names while the need was for 327 eligible voters, according to the law governing such special elections.

The ladies in the Auxiliary of the County Commission aided during a campaign of two or three days in securing the names on the petition.

33 varieties offered in Big parade of 1963 Chevrolet models

Chevrolet's parade of new products for 1963 includes four lines. Heading the list, which will be announced on September 26, is the luxurious Impala Sport Coupe (bottom), Chevrolet II 4-door Sedan (left center), Corvair Monza Club Coupe (right center), and two entirely new body-

Four distinctive lines of 1963 Chevrolet automobiles will go on sale in Chevrolet dealerships across the nation this Friday. Offering 33 models in four separate categories — each aimed at a specific segment of the market — the 1963 cars represent faith in a continued strong national economy by Chevrolet, which is already on its way to setting an all-time industry sales record for 1962.

There are significant styling changes in the regular Chevrolets, a continuation of their unique automotive personalities by the Chevy II and the Cor-

Regular Chevrolets

The traditional big car emphasis upon luxurious transportation is continued in the 1963 regular Chevrolets, offered in 13 models in the Impala, Bel Air and Biscayne series.

There is a sleek, longer look with all-new styling. Straight windshields pillars improve access for driver and passengers. The new front grille of anodized aluminum extends the full width of the vehicle, while a depressed center area adds new interest to the broad rear deck lid.

Smooth, straight line styling gives the side of the new Chevrolets a flowing look of motion. A horizontal line highlights the sculpture of the side, extending from the foremost point of the front fender to the extended point of the rear fender. Lower, a slender accent rib from mid-way along the front fender skims the top of the rear wheel and carries through to the rear bumper.

Throughout the line, ventilated rocker panels provide a measure of protection from corrosion. Doorlocks are improved to enhance passenger safety.

The Impala sport series has a fleet, new roofline and an optional vinyl top is available for the Impala sport coupe. Fifteen solid colors and eleven two-tone combinations are available in the regular Chevrolets. Interiors of the cars are entirely new and more luxurious for 1963.

Corvette

In its tenth year on the market, America's only production sports car is redesigned and re-engineered for the first time. In addition to the convertible (with optional hardtop) model offered in the past, there is a new "fast-back" sport coupe.

For the first time, Corvette offers optional power steering, power brakes and air-conditioning for the customer who wants a sports car but also wishes to retain the driving conveniences to which he has become accustomed.

On all 1963 Chevrolet passenger cars, engine oil change is recommended at 6,000 miles or 60 days and chassis lubrication is recommended at 6,000 miles or six months.

Also, all 1963 models have amber front turn signals instead of white turn signals as in previous years.

School's Open Hints

By William B. Wellons, Jr. Director of Traffic and Safety East Florida AAA Division

1. Reduce speed limits around schools. They aren't enforced during summer months.
2. Think for the child. Little ones whose play has been limited to yards may be crossing streets by themselves for the first time.
3. Help your child select the safest route to school; the one most protected by lights, signs, police or school patrolmen.
4. Driving in a car pool? Make sure insurance covers maximum number of children to be carried.
5. Don't permit roughhouse play, climbing between seats, touching buttons or switches.
6. Place an older child "in charge" if possible. Make him a helper, not a ringleader. For discipline, separate the troublemaker for a specific time, deprive him of after-school treats or privileges.
7. Watch your driving after leaving your child at the school house door. Don't display your worst driving manners there. Traffic authorities say many parents do!

Cynthia Anne Slater, Claude Christy Speak Vows In Afternoon Ceremony

MRS. CLAUDE C. CHRISTY, JR.

Before an altar banked with palms, standing baskets of white gladioli, mums, carnations and tuberoses, Miss Cynthia Anne Slater, daughter of Mr. and Mrs. Clarence V. Slater, 534 Hampton Rd., West Palm Beach, became the bride of Claude Christy, Jr., son of Mr. and Mrs. Bert Roemer, 10807 Ora Vista Sunland, Calif.

The ceremony was performed Saturday afternoon at 4:30 o'clock at the Community Methodist Church by the Rev. W. R. Boland. A program of musical music was presented by Mrs. James Williams, organist, and Mrs. Bert Roemer, soloist sang "The Lord's Prayer" and "Thru the Years".

The bride wore a white silk organza gown featuring a sweetheart neckline and fitted bodice enhanced with pearl beaded Alencon lace. The full circular skirt was scattered with Alencon lace appliques and large butterfly bow which swept to a flowing chapel train. Her small pill-box headpiece was a crest of seed pearls which was held in place by a finger tip veil of French illusion. She carried a crescent bouquet of white roses, carnations and tuberoses.

Mrs. Thomas Schwallier of Jupiter was matron of honor in a silk organza dress lined with peau de soie in a beautiful shade of turquoise, designed with a scoop neckline, fitted waist, bound in turquoise satin and a bell shaped skirt. Her colonial bouquet was of pink carnations and sweetheart roses. Miss Patricia Wilkinson and Miss Anna Roberts were bridesmaids. They wore dresses like the matron of honor and their headpieces were all turquoise satin bows with circular illusion veils of the same shade. They carried colonial bouquets of pink French-carnations, Miss Patricia Roberts in a dress similar to the other attendants was flower girl and carried a basket of rose petals. Mr. "Bitty" Davis was ringbearer.

Thomas Schwallier of Jupiter served Mr. Christy as best man. Ushers were Joseph McCormick of West Palm Beach, Douglas

Goforth-Lumpkin Engagement Told

Mr. and Mrs. George C. Goforth, Sr., of 1620 East Palm Beach Rd., Belle Glade announce the engagement of their daughter Mary Elizabeth, to Eddie Werbert Lumpkin, son of Mr. and Mrs. J. H. Lumpkin of Ashburn, Ga.

The bride-elect is a graduate of Belle Glade High School class of '60 and is presently employed by South Bay Growers, Inc.

The prospective groom attended Ashburn High School in Ashburn, Ga., and is currently employed by Roe Steele, building contractor. Wedding plans will be announced later.

Color Illusions Hide Room Problems

The skillful use of color creates illusions that minimize architectural problems in rooms. Here's why, says Miss Mary Todd, Home Demonstration Agent. Bright tones and warm colors advance or move out. Dull tones and cool colors recede or fade away.

When colors move out, they can make a room appear smaller and may cause a closed-in feeling. Fade-away or receding colors can create an illusion of openness, especially when there is little contrast between the furnishings and walls.

Color can lower or heighten ceilings. For example, a darker color on the ceiling than the walls lowers the ceiling. A lighter color on the ceiling than on the walls heightens the ceiling.

Color can tie together a room portrait for altering the appearance of a room. For example, bringing the ceiling color down about a foot on the walls seems to make a high ceiling lower. Or using an interesting rug draws attention away from a high ceiling by calling attention to the floor.

Color can tie together a room that is badly cut up by windows and doors. When the same color is used on woodwork and walls, they seem to flow together.

Mr. and Mrs. John Bourgeois of Winston-Salem, N. C., are visiting Mr. and Mrs. John Robinson. Mr. Bourgeois is Mr. Robinson's nephew.

Belle Glade Members Will Observe National BPW Week October 7-13

LEADERSHIP
OCTOBER 7-13
NATIONAL BUSINESS WOMEN'S WEEK

Belle Glade Business and Professional Women's Club will observe National Business Women's Week beginning Sunday, October 7th.

Throughout the week's activities the theme "Leadership - A Dimension in Democracy," will be emphasized.

President Juanita Croft urges each member to begin the week by attending the church of her choice next Sunday, along with BPW members all over the world.

Members will lunch together Tuesday noon. Every member is urged to attend. The president is arranging for a salad course (or you may order) to interesting meeting.

Spot flashes during the week over Radio Station WSWX will pay tribute to all business and professional women for their qualities as leaders.

Plans for the first fall meeting to be held October 18, at the Catholic Church hall are underway and program chairman Audrey Jones promises an interesting meeting.

Here's what the other '63's wish they looked like.

Today—Wide-Track Pontiac '63

Obviously, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track,

too, and a full line of Trophy V-6's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting

brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! **Wide-Track Pontiac**

Go "first class" GO ELECTRIC

...IT'S CHEAPER, TOO!

now enjoy modern flameless cooking

CLEANER! No soot-blackened pots or grime-stained kitchen walls. Electricity is pure energy. No flame, no products of combustion. Curtains and drapes stay cleaner.

COOLER!... FASTER! The flat electric surface units cling closely to cooking utensils. Trigger-fast heat goes directly into the food—not into the room. Your kitchen stays up to 15° cooler.

AUTOMATIC! Push a button or flip a switch... the controlled heat is the same every time... just-right as you want it for perfect cooking without pot-watching.

SAFER, too! Super-safe because there's no constant-burning pilot flame, no hazardous fumes. You never have to be "on guard." You enjoy precious peace of mind.

More than a million Florida families have already "switched" to flameless Electric cooking. Ask your neighbor!

Providing fun for the whole family, and individually for Mom and Dad, the top offering in Ford's 1936 station wagon line, the Country Squire, will have optional bucket seats. A nine-passenger car, the Squire has the only forward-facing seat in the industry — more than 50 inches.

Described as "the most service free standard-size American car ever produced," the 1936 Ford Galaxie features complete re-styling, a new 250-cu-in. V-8 engine, 36,000-mile major lubrication intervals and 6,000-mile minor lubrication intervals, and "cushion-link" suspension. Through use of improved lubricants, a complete "run-in" of each engine while it is being electronically analyzed
